

## The Classic Learning Test

Applying to college can be a complicated and time-consuming process for many students alike. To help make that process just a little bit easier, while showing off your skills and talents, the CLT is here to help you in your academic journey.

*The CLT is the nation's fastest growing college entrance exam  
— designed specifically with the student in mind.*

### 100% Digital

The CLT is the first totally digital college entrance exam, meaning you get to take the test right on your own laptop.

### 2-Hours Flat

While other admissions exams sometimes feel more like a test of endurance, the CLT is only a 2-hour test.

### Same Day Results

Skip the uncertainty of waiting for your test results. Take the exam and get your score report in the same day.

### Affordable

The CLT is currently the most affordable college entrance exam available to students.

### No Additional Fees

There are no fees after registration. It's even free to send your scores to colleges with just a click of a button.

### Showing Potential

The exam is aptitude-centric and has the unique ability to show talents in literature, humanities, math, and science

**Apply to college and earn scholarship at the same time!**
